

Rules of membership

The 1875 Club will operate as a Small Lottery as defined by the Gambling Act 2005.

The object of the Club is to raise funds for Long Buckby Rugby Football Club.

The subscription to The 1875 Club shall be £5 per month and payment will be made by direct debit on the 1st of the month.

Members may have and are encouraged to have multiple subscriptions.

The subscription year runs from September to August the following year. There is no provision to opt in/out on a month by month basis.

Members joining after the start of the subscription year will be entered in the next available draw following payment.

Anybody can become a member of The 1875 Club and you are encouraged to get family and friends to join.

There shall not be a limit to the number of members to The 1875 Club.

A member is eligible for inclusion in the draw for any month so long as the subscription for that month has been paid.

Each member is allocated a permanent number in the monthly draw. This number shall remain the member's number provided that their subscription is up to date.

The draw for each month shall be made over the 2nd weekend of each month, as arrangements reasonably allow.

The draws will be made by the 1875 Club manager or their deputy, in the presence of at least 1 other Committee Member, using a random generator number application to select the winning numbers or using numbered balls from a bag.

Monthly prizes will be awarded according to membership of The 1875 Club for that month as follows.

The prize money will be a minimum of 50% of the membership fees taken that month. The remaining monies will go to Long Buckby Rugby Football Club to help fund the items such as the re-development of the clubhouse, playing equipment and other resources to ensure the club continues to function.

There may also be ad hoc non-cash prizes in certain months. If this is the case, they will be non-transferable, are not for re-sale and there will be no cash alternative. In the event the member is unable to use the non-cash prize (eg sports event tickets) they are not to be re-sold by the member. Specifically for prizes that are sports events tickets, particularly if the prize is for one match of a season ticket, it is the responsibility of the member to return the season ticket in a timely manner. Any additional expense may be charged to the member.

If there any incidences of the above rules not being adhered to, the matter will be referred to the Long Buckby Rugby Football Club Committee, who will decide on any action to be taken.

The allocation of numbers and draw results will be posted on the Long Buckby Rugby Football Club website and other social media, and winners will be contacted individually via email immediately after each of the prize draws.

The 1875 Club administrators will make all reasonable efforts to pay or post prizes to the winners within two weeks of the draw. In the event of a member winning a non-cash prize, The 1875 Club administrators will make all reasonable efforts to post or deliver the prizes to the winners, however there may be need for the winner to arrange to collect the non-cash prize.

Payment of cash prize winnings will be made by bank transfer.

Unless otherwise advised, a member will be deemed to have left The 1875 Club if his/her subscription renewal remains unpaid for a period of one month.

If a winner cannot be contacted, the winnings will be placed into Long Buckby Rugby Football Club funds after six months.

The decision of the Long Buckby Rugby Football Club committee shall be final in all matters requiring adjudication. The Long Buckby Rugby Football Club committee shall also have the power to amend or revoke these rules at their absolute discretion with such reasonable notice to The 1875 Club members as is necessary.

Many thanks for your support.

It is much appreciated.
